

## Corvallis School District

### **Strategic Work Plan**

2010 – 2011

*Adopted by the Board on 10/11/10*

#### **Student Achievement**

---

- Continue Professional Learning Community implementation:
- ✓ Continue to implement a process to monitor achievement of students and develop effective interventions to support struggling students.
- ✓ Comprehensive District Improvement Plan revision – math and literacy.
  - Further refine and strengthen programs and approaches to support learning targets for subgroups not meeting district growth targets. [ELL, Hispanic, sp. ed., economically disadvantaged, and Talented/Gifted (MAP growth targets.)]
- ✓ Use collaborative teacher teams to develop, administer, and analyze teacher developed common formative assessments tied to standards to guide daily instruction.
- ✓ Convene a committee to study K-12 teacher collaboration time and community communication plan. Ground work for determination of 2011-2012 teacher collaboration time schedule.
- ✓ Continue pilot of standards based assessment systems K-12 including continued elementary report card pilot and staff training including school wide implementation at Jefferson Elementary.
- Staff training in differentiated instruction 6-12, implementation of K-5 math curriculum, PLC facilitation, standards based instruction and assessment, and “walk through” administrator training.
- Instructional high school schedule decision and preparation for implementation 2011-2012.
- World languages long range plan development – design a process to be implemented in 2011-2012 to determine how the district will create an articulated K-12 world language program including the future design of the dual immersion programs.
- Convene a committee to review and align parent teacher conference protocols and develop and communicate best practice dos and don’ts by fall conferences.

#### **Student Health, Safety and Welcoming District Culture**

---

- Diversity action plan implementation focused on issues that impact student achievement.
- Support for new administrators.

#### **Financial Stability**

---

- Monitor state revenue/school funding stability - implement district/community communication plan.
- Local option levy renewal.
- Certified, classified negotiations and non-represented confer and consult agreement.

#### **Operations Initiatives to Support Student Learning**

---

- Recruit and hire new district superintendent
- Continue implementation of district environmental sustainability action plan.
